Primary Location:	Trieste, Italy
Recruitment open to:	Internal and external candidates
Type of contract:	Fixed-Term
Deadline (<i>midnight Trieste time</i>):	01 December 2022

UNESCO Core Values: Commitment to the Organization, Integrity, Respect for Diversity, Professionalism

OVERVIEW OF THE FUNCTIONS OF THE POST

Founded in 1964 by the late Nobel Laureate Abdus Salam and located in Trieste (Italy), the Abdus Salam International Centre for Theoretical Physics (ICTP) seeks to accomplish its mandate by providing scientists from developing countries with the continuing education and skills that they need to enjoy long and productive careers. ICTP has been a major force in stemming the scientific brain drain from the developing world. For more than 50 years, ICTP has been a driving force behind global efforts to advance scientific expertise in the developing world.

Within the Public Information Unit and under the direct supervision of the ICTP Public Information Officer, the incumbent will implement ICTP's social and digital media strategy by maintaining and ensuring the timeliness of ICTP's social media channels to expand ICTP's reach to its broad international audience and ensure maximum international distribution of its core messages. The incumbent will work closely with project teams, editors, developers and designers to coordinate content and make sure it caters to the needs of the target audience. Essential responsibilities include:

- Create and/or curate all ICTP social media content, including text, images, and video. Curate videos on ICTP's YouTube channel.
- Schedule posting of all social media posts for all platforms
- Create videos that showcase ICTP research and success stories for its website.
- In consultation with PIO, implement social media campaigns of varying scope on social channels, using a combination of text, graphics and/or video
- Measure, test and create monthly reports on success of social strategies and campaigns using analytics tools
- Propose, draft and maintain an overall plan for ICTP social and digital media that effectively targets audiences in a clear and consistent manner, following ICTP branding guidelines and in line with ICTP's communications strategy
